

The Horse's Mouth

ESSENDON SUPERULES

EST. 1985

Bomber Bulletin Number 2

January 28, 2022

The break is over and it's time to get back into the swing of things and prepare for 2022.

TRAINING BEGINS NEXT WEDNESDAY

FEBRUARY 2

The usual covid protocols will be in place during our training sessions:

No sharing of water bottles.

Keeping a player register.

Social distancing when not performing drills.

No training if you have any cold or flu-like symptoms.

Sign in using the Airport West QR code only if you enter the social clubrooms for a drink after training.

PLAYERS DO NOT HAVE TO BE DOUBLE VAXXED TO TRAIN OUTDOORS AND ARE ALLOWED TO PARTICIPATE IN GROUP TRAINING SESSIONS.

However, it is an AFL requirement that all players be vaccinated to play in competition games and our League is expected to follow that protocol, but we haven't heard anything officially yet.

Next Wednesday will be a light run to allow players to ease back into exercise after the long break and more of a "get together" and we hope to see you then. New coach takes over the sessions on February 9.
